

Church on the Beach

Maps & Directions

Pretty straightforward most of the way. Find the M4 and head along it, over the Severn Toll bridge (Toll - £5.10 in cash), past Cardiff and into Swansea.

Drive into the Centre of Swansea, then follow signs to the Gower. You will drive along the coast road and past the University. Before you get to the Mumbles take a right turn inland.

Once you cross the cattle grids you are in the wilds of the Gower (watch out for sheep/cows/dragons). There are really only two proper roads on the Gower, so it is quite hard to really get lost. Head towards Southgate, then follow signs to Rhossili.
